

TREATS FOR TROOPS

As you know, in recent years, Allegheny #1 Elementary School has sponsored a school wide opportunity to show our appreciation to our active military soldiers. This year, once again, we will be collecting *Treats for Troops* throughout November to send to our troops for Christmas.

Each classroom is invited to create projects to be included in the treat boxes such as ornaments, calendars, cards, frames, and treat bags; just to name a few.

We are opening this project up to families and the community by asking for your generous donations of items for the treat bags. Below, you will find a list of items commonly needed and allowed to be shipped. You may send your donations in any time throughout November.

Please help us show our support to those fighting for our freedoms.
