Dear Parent/Guardian(s):

We need your help to make accurate enrollment projections and classroom assignments for the 2012-2013 school year. During the summer months many families move from the district or to another area within our district.

If you know you are *definitely* moving during the summer months or your family *might* relocate during the summer months, please take a few minutes and complete the form below and return to the office.

Thank- you in advance for your cooperation.

Sincerely,

- Francine Endler
Principal
