Thank you for taking an interest in the C.W. Longer Ice Skating Party. Before you give permission for your son/daughter to participate, we would like to explain an important item. Please be aware that while your son/daughter is participating in ice skating, there are certain expectations. By signing this paper, it means that you understand the information presented, and your child will follow the rules of C.W. Longer Elementary School. Injuries and insurance: The school district is not legally responsible for the result of any injury to the student while participating in the ice-skating program. It should be understood that although the district takes every responsible precaution to assure the safety of students, all children are strongly advised to have health-accident insurance to cover participation in extracurricular activities. This may be medical insurance or by the student policy offered by the Hollidaysburg Area School District. This insurance can be purchased at the beginning of each school term or at any time during the school year.

***I have read and understand the above school policy. I have received a copy of the student handbook.
I grant permission for my child/children's participation in ice skating by signing this agreement.***
