

One-Can-A-Kid Collection

Once again, the CWL Student Council is sponsoring our
“One-Can-A-Kid” campaign. We are asking each student to
bring in one canned good item between

Monday, April 8th and Thursday, April 18th.

Please drop your donation in the collection box in the lobby. All canned goods will be delivered to the American Rescue Workers who will distribute the food to those in our immediate community. Only nonperishable items please. With your generosity, we will make a difference for many local families.
