Dear Parent(s):

We need your help to make accurate enrollment projections and classroom assignments for the 2019-2020 school year. During the summer months many families move from the district or to another area within our district.

If you know you are **definitely** moving during the summer months or your family **might** relocate during the summer months, please take a few minutes and complete the form below and return to the office.

Thanking you in advance for your cooperation.

Sincerely,

Timothy P. Gildea
Principal
