

The Hollidaysburg Area Physical Education Department will be phasing in new uniforms for the 2020-2021 school year. The process will begin with incoming 7th graders purchasing the new uniform style and logo. All **NEW** uniform sales will be purchased through the Senior High School Store, The Tiger Den. The old style PhysEd uniform will still be used in grades 8-12, and will eventually be phased out as the 7th graders purchase the new uniforms over the next couple of years.
