

## Hollidaysburg Area School District

### **Infinite Campus:**

Parents can request changes to their home phone number, cell phone numbers, work numbers, and also update, remove, or add non-household emergency contacts via the Infinite Campus Parent Portal. Once the request is made, it has to be approved on the school end.

Changes to addresses still need to be completed at the Hollidaysburg Area School District Administration office by call Linda Conway at 814-695-5585, along with providing the appropriate paperwork listed on the Infinite Campus Portal (proof of the new residency). Proof of residency is mandatory before any changes can be made.

Parents can also view current student grades and assignments in the Infinite Campus Parent Portal. Parents with multiple students are able to toggle between their children without having multiple accounts.

### **School Messenger:**

Parents are encouraged to create a School Messenger account. Instructions can be found on our webpage [www.tigerwires.com](http://www.tigerwires.com) School Messenger is used to call, email, and/or text in the event of an emergency, weather delays/cancellations, announcements from Principals/Administration, and when a student is absent from school. The School Messenger system is also used to send home secure documents via email, including but not limited to report cards.
