### Traveling Students:

As a result, face coverings will need to be worn for the duration of the school day with the exception of breakfast and lunch. Bottled water is available for you if needed.

### **School Closure/Fully Remote Learning:**

- If the Junior High were to close due to the number of COVID-19 cases, the District will notify you and will move to a Fully Remote Learning Platform until further notice.

  - School begins at 7:38am, and attendance is taken by your first period teacher at 7:38am. (First period now includes Homeroom period and is starting at 7:38am.)
  - Attendance will be taken by the teacher each class period based on who is present during the virtual class. (Please see below if technical difficulties hinder you from attending virtual meetings/classes.)
  - All students need to virtually meet with their teachers during the scheduled class times. (See below for the school day schedule. You will notice the school day and class times are the same as when we meet in school face-to-face.) Your classes' meeting/lesson links will be posted in the corresponding Google Classrooms, and the links may be emailed to you by your teachers, too.
  - All students will NOT sign in using Infinite Campus during Fully Remote Days. Instead, teachers will take LIVE attendance for all students at the start of each LIVE class.
  - If you have a study hall, you still need to virtually meet with your study hall teacher during the study hall time as attendance will be taken. Your study hall teacher will set up a virtual classroom for study halls and provide you with the information. Use study halls to check email, complete work, and seek out support from your study hall teacher.
