

My Writing Book

**"Pointer on the point
Thumb on the side,
Put your middle finger
On the other side!"**

**"One finger on top,
Back on the point,
Don't pinch!"**

Name: _____

Alphabet Letters

Learning to print alphabet letters the correct way is very important. Please refer to the enclosed sheet showing the correct formation of each letter. When helping your child to print his or her name, it is important to practice the letters correctly.

Numbers

Learning to print numbers the correct way is very important. Please refer to the enclosed sheet showing the correct formation of each number. When helping your child to print numbers, always use a pencil and try to reinforce printing the numbers using the correct formation.
